5) The Mysore Weekly Gazette is printed & supplied in 6 parts to the subscribers at rates sanctioned in G.O. No. S 6148-204-54-30-2 of 15-12-1930. (Vide flag A). Spare copies are sold to the public from the Govt. Central Book Depot. The first rates do not seem to have been revised since. In view of the rise in the cost of paper, rates may perhaps be revised. In so doing cost of paper, printing, etc. has to be

taken into consideration. This can conveniently be done by the Compiler Mysore Gazette. Hence it is for orders whether the Compiler Mysore Gazette may be consulted unofficially in the first instance

8) The cost of printing and publishing each part of the English Edition of the Gazette has been worked out as per schedules of rates and inclusive of special overhead charges incurred in the Press. This is found in column 3 of the enclosed statement. Though in view of the Gazette being a special kind of publication the levy of a surcharge of a specified percentage is justified, yet, on account of the actual cost of production being pretty high in comparison to the current rates of subscription, especially under parts III-1 and III-2 on account of heavy matter being published as a result of various control orders and numerous land acquisitions, the rates of subscription for subscribers within the State may be fixed by rounding the actual cost of production to the nearest quarter of the rupee. The subscription for parts IV and VI may be slightly higher in view of the important nature of the information which they contain and of the fact that the subscribers for these parts are more than those for the other parts. The proposed rates of subscription for each part of the Gazette on the above basis is shown in column 4 of the enclosed statement. As at present the rates of subscription for subscribers within India but outside the State and for subscribers outside India may be 25% and 50% respectively more than the rates for subscribers within the State. For Gazettes Extraordinary the rates sanctioned in G.O.No.M.975-6/P & S. 109-43-2, dated 8th August 1944 may continue. In the case of subscribers

The State but within India and of subscribers outside) to

subscribers outside India, postage charges at Rs.3-8-0 and Rs.12-8-0 per annum, respectively, for the full Gazette may be charged in addition to the subscription. For subscribers ~~in~~ of individual parts, the postage charges to be levied in addition to subscription may be one-fourth of the above. Half the annual rates may be charged in the case of half-yearly subscribers. As regards the Kannada edition of the Gazette, in view of the comparatively small number of subscribers and the limited matter published I am of ~~the~~ opinion that the present rates of subscription may continue unaltered.

18) The rate of subscription for all parts of the Gazette in English is Rs 12/- & the cost as per schedule of rates is stated to come to Rs 29-2-11 It therefore seems to reason to increase the rate of subscription to at least approximately the cost of production. The Committee suggests that the rate of subscription for English Copy of the Gazette may be fixed at Rs 30/- p.a. the rate for subscribers in India outside the State & outside India being 25/- & 50/- respectively & that the rate for subscribers within the State.

19) ... & without the information obtained from the Compiler, it is not possible to say how many subscribers the Gazette outside India & how many only 88 subscribers within India outside Mysore. In view of the increased rate of subscription now

Similarly there might be a fall in the number of persons of the State subscribing for the Gazette. This number is also at present

Re: giving effect to the revised rates of Gazette (Eng) subscriptions from 1-3-1945

Letter No. G.861/44-45 dated 13.2.45 from the Compiler Mysore Gazette stating that the revised rates of ~~subscriptions~~ subscriptions for the Eng Gazette will be notified in the Mys. Gazette of 15.2.1945 & given effect to from 1.3.45 & requesting approval to the above.

Sated: 30) Printed spare copies of G.O. of 7.2.45 are awaited from the Press.

31) The Compiler Mysore Gazette has published the G.O. of 7.2.45 in Gazette of 15.2.45 (vide flag N) without mentioning any specific date from which the rates will come into effect. That implies that the rates will have effect from 7.2.45 viz. date of Order. If the date of effect is to be different as proposed now in the P.R.D. why this was also not notified is not clear. A further notification appears to be now necessary in the Gazette.
